GENERAL RULES

- 1. Entries – See Fair General Rules and Regulations.
- 2. Check in and measurement will take place between 4:00 P.M. and 6:00 P.M. Wednesday in the warm up arena. All exhibitors at check in will be asked to verify stall numbers & emergency phone numbers. All equines must be accompanied by a CERTIFICATE OF VETERINARY INSPECTION with individual identification or a description of the individual animal listed and dated within 30 days of the County Fair.
- 3. An exhibitor meeting will be held in the warm up arena after the crowning of the Polk County Fair King and Queen or 8:00 P.M., whichever is later.
- 4. Unless otherwise addressed in this rulebook, "Rules and Regulations for 4-H Equine Shows in Iowa" available online at <http://www.extension.iastate.edu/4hfiles/agriculture/4H511CEquineRulesRegOnline2013.pdf> will be followed. Some of the more important rules are restated in this (county) rulebook, but not all the rules are reprinted here. Exhibitors are advised to consult the state publication for class descriptions, judging standards, code of conduct and legal equipment for both performance and games divisions. Judge's decision is final.
- 5. Exhibitors must present equipment for inspection when requested by show officials. Use of illegal equipment may result in dismissal from the show, disqualification and/or forfeiture of premiums, ribbons and other prizes.
- 6. An exhibitor is limited to entering and showing ONE (1) animal in a class, and may not exhibit more than FOUR (4) animals at the fair.
- 7. In accordance with state rules, siblings may co-identify multiple horses. However, they may not show the same horse in the same classes regardless of age division; eg. If one sibling shows in junior barrels, the other sibling may not show the same horse in senior barrels.
- 8. In cases where siblings share only one horse, there is no restriction on which classes they each may enter.
- 9. **NO STALLIONS, WEANLINGS OR FOALS MAY BE SHOWN OR BROUGHT TO THE FAIR.**
- 10. In compliance with State 4-H rules, in order to be eligible to show a horse at halter, the horse must be owned by the 4-H'er or in partnership with a family member such as a mother, father, sister or brother. This rule does not apply to any of the performance, games or showmanship classes.
- 11. Only exhibitors and members of the immediate family, local club leader, assistant leaders or project leaders may assist with grooming and fitting animals at the show. A 4-H/FFA exhibitor may not be coached by any trainer on the Iowa State Fairgrounds during the Polk County Fair.
- 12. Only exhibitors may ride horses or ponies on the fairgrounds during the fair. If, for safety reasons, a parent or leader believes an animal needs to be lunged by an adult, please see the superintendent or a horse committee member.
- 13. **NO COACHING OR OTHER ASSISTANCE TO EXHIBITORS IN THE ARENA DURING A CLASS.** This includes verbal cues to the horse or pony. There will be ONE (1) warning from show officials. The next violation

- will be a disqualification for the exhibitor and the animal and forfeit of premiums, ribbons, and other awards.
14. No exhibitor may be tied or fastened in the saddle, in any manner, while on show grounds. Anyone violating this rule will be dismissed from the show and forfeit all ribbons, premiums, and other prizes.
 15. No dumping manure in garbage cans. All manure must be carried outside to designated piles.
 16. No riding double at any time.
 17. No riding in the barn at any time.
 18. No loping in the warm up arena. One warning will be given by the superintendents, horse committee or designated show volunteers. A second violation will result in immediate dismissal from the show and forfeiture of all prizes & premiums.
 19. All horses and ponies are to be in their stalls at all times except: (1) an exhibitor may exercise horses and ponies in the designated area(s) at the times designated by superintendents; (2) an exhibitor may wash his/her horse or pony at any time with adult supervision; or (3) an exhibitor may tie the horse or pony in the aisle to prepare the horse or pony for the show so long as the exhibitor does not leave the animal unattended.
 20. For purposes of classes at this show, all entries will be subject to measurement at check-in. Animals 57 inches or taller will be considered horses. Ponies must be less than 57 inches, or 57 1/2 inches if shod. POA cards will be accepted.
 21. Exhibitors riding a pony may choose to enter either the pony division or the appropriate age division for the rider, but must stick with one choice—you can't show as a pony in one class and a horse in another. Exception is games, where only age divisions are provided; exhibitors riding ponies in games should enter the rider's appropriate age division.
 22. Exhibitors are required to provide woodshavings or straw for stall bedding. Stalls must be picked clean twice a day.
 23. Stall cards must be attached to stall fronts and be filled out completely, including emergency phone numbers on the back of the card. DO NOT LOCK horse stalls. Tack stalls must also be marked and should be locked.
 24. Questions about show conduct must be directed to show officials immediately. Once a decision has been reached, it is final.

 26. STALLS MUST BE CLEANED AND SWEEPED OUT, AND BEDDING MUST BE COMPLETELY REMOVED AND PLACED IN THE AISLE FOUR FEET FROM THE WALL. STALL CLEANING MAY BEGIN AT RELEASE TIME AND STALLS MUST BE INSPECTED BEFORE LEAVING FAIRGROUNDS OR PREMIUMS WILL BE FORFEITED. Leave stall card in place until inspected by a superintendent or horse committee member.
 27. ALL EXHIBITORS will be required to help clean the Jacobson arena and empty all trash cans in horse barn following completion of timed games on Sunday.
 28. Violations of ANY rule(s) may result in premium & prize forfeiture and/or disqualification. (See General Rules and Regulations.)

The Polk County Fair Association and Iowa State University make no representation or warranty, express or implied, about any protective headgear, and caution all riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and no helmet can protect against all foreseeable injuries.
31. Hard soled boots with heels and an approved helmet must be worn at all times when riding. Boots are recommended at all times. NO FLIP-FLOPS WHILE HANDLING HORSES.
32. Dress for exhibitors: Western/Games: long sleeve white or solid colored shirt is preferred, also acceptable are: tuxedo white shirt or FFA jacket. HALTER AND SHOWMANSHIP CLASSES

35. For halter and showmanship classes, either Western or English tack and attire is acceptable. Western exhibitors in halter and showmanship must wear a cowboy hat. No cowgirl crowns. Exhibitors may use either a leather or nylon halter with chain on the lead rope.

arena but must do so without assistance and the horse must remain under control at all times. Exhibitors will drop stirrups for inspection by designated gate official before entering arena. Once in the arena, exhibitors will wait until the gate is closed and the gate official gives the go order before starting their run. Failure to wait for the go order will result in a five second penalty. Exhibitors must come to a complete stop and dismount before exiting the arena.

40. Only a parent, leader or designated show official may assist the rider up to the gate. Adults may not enter the arena.
41. In all game classes a five second penalty will be assessed for each barrel or pole that is knocked down while riding the course. Touching a barrel or pole is not a disqualification. Holding up or resetting a pole or barrel is not allowed.

43. Exhibitors who are showing sheep or poultry will be accommodated as necessary. Otherwise all exhibitors will run games in the order listed in the show book.

46. Exhibitors wishing to enter bareback classes for the first time must demonstrate to the Horse Committee’s satisfaction their ability to stay on and steer their horse safely. Such demonstration will take place during pre-fair clinics or at a designated time at the county fair. Bareback classes will use equitation elements as outlined in “Rules and Regulations for 4-H Equine Shows in Iowa.”
47. Ranch Horse Equitation is a pattern class using AQHA Ranch Horse Pleasure Pattern #1 and the judging standards for Ranch Horse Pleasure.
48. All pleasure classes require riders to perform a controlled lope on a loose rein (see description of classes in “Rules and Regulations for 4-H Equine Shows in Iowa” available online at <http://www.extension.iastate.edu/4hfiles/agriculture/4HS11CEquineRulesRegOnline2013.pdf>). If you and your horse are unable to perform this maneuver, you don’t belong in the pleasure classes. Exhibitors displaying excessive speed, passing with insufficient room or otherwise judged to be endangering other riders will be asked to come to the center.

AWARDS

49. Premiums will be awarded in all classes (unless otherwise specified) for Blue and Red ribbon groups. Purple ribbons may be given by the judge but will be treated as a blue ribbon for premium awards.
50. High Point/Reserve High Point awards will be given in each of the three age groups (Senior, Intermediate, Junior) for English performance, Western performance, and timed games divisions, and also for Pony Performance. These awards will be given to the exhibitor and horse/pony combination earning the most cumulative points in the division. Only a blue or purple ribbon earns points, regardless of class placing. All

riding classes specific to the division and broken by rider’s age will count toward high point.

51. The point system will be as follows:

4. Each judge holds back exhibits to be considered for awards and participates in the final selection decision.

Exhibit Rules

1. Duplication of **copyright material** or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without permission being granted by the owner of the copyright. When permission has been granted, the exhibit will be displayed and labeled appropriately. Those without permission **cannot** be displayed. Many school art projects using copyright material are not acceptable. See *Brochure 4-H 634 (March 2000)* for more information.
2. A **purchased copyrighted item** can be used in an exhibit. Exhibits made from purchased kits must be identified. Example: a purchased puppet showing a child safety point or a purchased poster of a Star Wars character which you framed.

1. Blue, Red, White, Participation, Gold, State Fair and State Fair Alternate ribbons are all assigned by the judge. This decision lies solely with the judge and is not the decision of the superintendents, 4-H volunteers or extension staff.
2. Gold ribbons are awarded to outstanding exhibits in one of the following areas:

 2. Horticulture exhibit

4. Polk County is assigned a number of exhibits that can advance to the State Fair. This number is based on 4-H enrollment from the previous 4-H year. 4-H Staff then assigns how many exhibitits can go in each area based on the number of exhibits entered in each department.

ART PRINCIPLES

Principles of design are the directions or guidelines for mixing the elements. Principles included are balance, rhythm, emphasis, proportion, and unity.

1. **Balance** gives a feeling of stability. There are three types of balance.
2. **Symmetrical:** the elements used on one side of the design are similar to those on the other side.
3. **Asymmetrical Balance:** the sides are different but still look balanced.
4. **Radical:** they are arranged around a central point and may be similar.
5. **Rhythm** is organized movement. It allows the eyes to move from one part of a design to another. It can be achieved through repetition, graduation, and alternation.
6. **Emphasis** is the part of the design that catches the viewer's attention.
7. **Proportion** refers to the relationship between one part of a design and another part or to the whole design. It is a comparison of sizes, shapes and quantities.
8. **Unity** When things look tight together, you have created unity or harmony. Lines and shapes that repeat each other show unity (curved lines with curved shapes). Colors that have a common hue are harmonious. Textures that have a similar feel add to unity. But too much uniformity sometimes can be boring. Also, too much variety destroys unity.

ELEMENTS OF DESIGN

Design has individual elements which are part of every item. These include color, texture, line, shape, and form. Design is an overall plan or scheme.

1. **Color** is described with the words hue, value, and intensity.
 - **Hue:** refers to the name of the color
 - **Value:** tells the lightness or darkness of a hue
 - **Intensity:** refers to the brightness or dullness of a hue.
2. **Line** can be horizontal, vertical, dotted, zigzag, curved, straight, diagonal, bold, or fine. Lines can show direction, lead the eye, outline an object, divide a space and communicate a feeling or emotion.
3. **Texture** is the surface quality that can be seen and felt. Textures can be rough or smooth, soft or hard. Textures do not always feel the way they look.
4. **Shape** is a closed line. Shapes can be geometric, like squares and circles; or organic, like-free-formed shapes or natural shapes. Shapes are flat and can express length and width.
5. **Form** are three-dimensional shapes, expressing length, width and depth. Balls, cylinders, boxes and triangles are forms.
6. **Space** is the area between and around objects. The space around objects is often called negative space; negative space has shape. Space can also refer to the feeling of depth. Real space is three-dimensional; in visual art when we can create the feeling or illusion of depth we call it space.
