- 2. Check in and measurement will take place between 4:00 P.M. and 6:00 P.M. Wednesday in the warm up arena. All exhibitors at check in will be asked to verify stall numbers & emergency phone numbers. All equines must be accompanied by a CERTIFICATE OF VETERINARY INSPECTION with individual identification or a description of the individual animal listed and dated within 30 days of the County Fair. Exhibitors will receive their exhibitor numbers at check in.
- 3. An exhibitor meeting will be held in the warm up arena after the crowning of the Polk County Fair King and Queen or 8:00 P.M., whichever is later.
- 4. Unless otherwise addressed in this rulebook, "Rules and Regulations for 4-H Equine Shows in Iowa" available online at <http://www.extension.iastate.edu/4hfiles/agriculture/4H511CEquineRulesRegOnline2013.pdf> will be followed. Some of the more important rules are restated in this (county) rulebook, but not all the rules are reprinted here. Exhibitors are advised to consult the state publication for class descriptions, judging standards, code of conduct and legal equipment for both performance and games divisions. Judge's decision is final.
- 5. Exhibitors must present equipment for inspection when requested by show officials. Use of illegal equipment may result in dismissal from the show, disqualification and/or forfeiture of premiums, ribbons and other prizes.
- 6. An exhibitor is limited to entering and showing ONE (1) animal in a class, and may not exhibit more than FOUR (4) animals at the fair.
- 7. In accordance with state rules, siblings may co-identify multiple horses. However, if they share more than one horse, they may not show the same horse in the same classes regardless of age division; eg., if one sibling shows in junior barrels, the other sibling may not show the same horse in senior barrels.
- 8. In cases where siblings share only one horse, there is no restriction on which classes they each may enter.
- 9. **NO STALLIONS, WEANLINGS OR FOALS MAY BE SHOWN OR BROUGHT TO THE FAIR.**
- 10. In compliance with State 4-H rules, in order to be eligible to show a horse at halter, the horse must be owned by the 4-H'er or in partnership with a family member such as a mother, father, sister or brother. This rule does not apply to any of the performance, games or showmanship classes.
- 11. Only exhibitors and members of the immediate family, local club leader, assistant leaders or project leaders may assist with grooming and fitting animals at the show. A 4-H/FFA exhibitor may not be coached by any trainer on the Iowa State Fairgrounds during the Polk County Fair.
- 12. Only exhibitors may ride horses or ponies on the fairgrounds during the fair. If, for safety reasons, a parent or leader believes an animal needs to be lunged by an adult, please see the superintendent or a horse committee member.

13. **NO COACHING OR OTHER ASSISTANCE TO EXHIBITORS IN THE ARENA DURING A CLASS.** This includes verbal cues to the horse or pony. There will be ONE (1) warning from show officials. The next violation will be a disqualification for the exhibitor and the animal and forfeit of premiums, ribbons, and other awards.
14. No exhibitor may be tied or fastened in the saddle, in any manner, while on show grounds. Anyone violating this rule will be dismissed from the show and forfeit all ribbons, premiums, and other prizes.
15. No dumping manure in garbage cans. All manure must be carried outside to designated piles.
16. No riding double at any time.
17. No riding in the barn at any time.
18. No loping in the warm up arena. One warning will be given by the superintendents, horse committee or designated show volunteers. A second violation will result in immediate dismissal from the show and forfeiture of all prizes & premiums.
19. All horses and ponies are to be in their stalls at all times except: (1) an exhibitor may exercise horses and ponies in the designated area(s) at the times designated by superintendents; (2) an exhibitor may wash his/her horse or pony at any time with adult supervision; or (3) an exhibitor may tie the horse or pony in the aisle to prepare the horse or pony for the show so long as the exhibitor does not leave the animal unattended.
20. For purposes of classes at this show, all entries will be subject to measurement at check-in. Animals 57 inches or taller will be considered horses. Ponies must be less than 57 inches, or 57 1/2 inches if shod. POA cards will be accepted.
21. Exhibitors riding a pony may choose to enter either the pony division or the appropriate age division for the rider, but must stick with one choice—you can't show as a pony in one class and a horse in another. Exception is games, where only age divisions are provided; exhibitors riding ponies in games should enter the rider's appropriate age division.
22. Exhibitors are required to provide woodshavings or straw for stall bedding. Stalls must be picked clean twice a day.
23. Stall cards must be attached to stall fronts and be filled out completely, including emergency phone numbers on the back of the card. **DO NOT LOCK** horse stalls. Tack stalls must also be marked and should be locked.
24. Questions about show conduct must be directed to show officials immediately. Once a decision has been reached, it is final.
25. Any exhibitor who needs to administer injections to a horse (eg., allergy medicine) should talk to the superintendent first so there will be no misunderstanding about drug use.
26. **STALLS MUST BE CLEANED AND SWEEPED OUT, AND BEDDING MUST BE COMPLETELY REMOVED AND PLACED IN THE AISLE FOUR FEET FROM THE WALL. STALL CLEANING MAY BEGIN AT RELEASE TIME AND STALLS MUST BE INSPECTED BEFORE LEAVING FAIRGROUNDS OR PREMIUMS WILL BE FORFEITED.** Leave stall card in place until inspected by a superintendent or horse committee member.
27. **ALL EXHIBITORS** will be required to help clean the Jacobson arena and empty all trash cans in horse barn following completion of timed games on Sunday.
28. Violations of ANY rule(s) may result in premium & prize forfeiture and/or disqualification. (See General Rules and Regulations.)

29. Animals must remain in place until 4 p.m. Sunday. Any animal that leaves the grounds before that time will forfeit all ribbons, premiums, and prizes, except in cases of medical emergency as determined by a veterinarian and cleared with the superintendent.

Current year's showmanship winners in each age division will also compete in Master Showmanship.

## PERFORMANCE AND GAME CLASSES

- Age divisions are according to last grade completed by exhibitor, as follows:
  - Junior: 4th – 6th grade
  - Intermediate: 7th – 8th grade
  - Senior: 9th – 12th grade
  - Pony: animals under 57"
  - Collegiate FFA: FFA exhibitors who have started college. Separate classes will be provided if there are three or more collegiate FFA exhibitors in a class. Collegiate FFA are not eligible for high point awards.
- Class sizes for purpose of entries are not limited. The show officials and judge reserve the right to split larger classes into smaller groups or combine classes to facilitate judging.
- Exhibitors in timed games will mount outside the arena. If absolutely necessary, exhibitors may mount inside the arena but must do so without assistance and the horse must remain under control at all times. Exhibitors will drop stirrups for inspection by designated gate official before entering arena. Once in the arena, exhibitors will wait until the gate is closed and the gate official gives the go order before starting their run. Failure to wait for the go order will result in a five second penalty. Exhibitors must come to a complete stop and dismount before exiting the arena.
- Only a parent, leader or designated show official may assist the rider up to the gate. Adults may not enter the arena.
- In all game classes a five second penalty will be assessed for each barrel or pole that is knocked down while riding the course. Touching a barrel or pole is not a disqualification. Holding up or resetting a pole or barrel is not allowed.
- No do – over's for the game classes, including cases of equipment failure.
- Exhibitors who are showing sheep or poultry will be accommodated as necessary. Otherwise all exhibitors will run games in the order listed in the show book.
- Attire for timed events: solid long-sleeve shirt with 4-H/FFA armband, or intact current Polk County Fair t-shirt.

## ADDITIONAL CLASS INFORMATION

- Exhibitors entered in Novice Walk Trot and/or Novice Walk Trot Horsemanship may not enter any other performance classes except for Trail. They may enter Timed Games classes.
- Exhibitors must choose EITHER Ranch Horse Pleasure or Western Pleasure. The same horse may NOT enter both pleasure classes. No silver on tack and no fake tails for Ranch Horse Pleasure; banded manes are OK.
- Exhibitors wishing to enter bareback classes for the first time must demonstrate to the Horse Committee's satisfaction their ability to stay on and steer their horse safely. Such demonstration will take place during pre-fair clinics or at a designated time at the county fair. Bareback classes will use equitation elements as outlined in "Rules and Regulations for 4-H Equine Shows in Iowa."
- Ranch Horse Equitation is a pattern class using a ranch riding pattern and the judging standards for Ranch Riding. Exhibitors may enter Ranch Horse Equitation regardless of which pleasure class they enter (Ranch or Western).
- All pleasure classes require riders to perform a controlled lope on a loose rein (see description of classes in "Rules and Regulations for 4-H Equine Shows in Iowa" available online at <http://www.extension.iastate.edu/4hfiles/agriculture/4H511CEquineRulesRegOnline2013.pdf>) . If you and your horse are unable to perform this maneuver, you don't belong in

the pleasure classes. Exhibitors displaying excessive speed, passing with insufficient room or otherwise judged to be endangering other riders will be asked to come to the center.

## AWARDS

- Premiums will be awarded in all classes (unless otherwise specified) for Blue and Red ribbon groups. Purple ribbons may be given by the judge but will be treated as a blue ribbon for premium awards.
- High Point/Reserve High Point awards will be given in each of the three age groups (Senior, Intermediate, Junior) for English performance, Western performance, and timed games divisions, and also for Pony English & Western Performance. These awards will be given to the exhibitor and horse/pony combination earning the most cumulative points in the division. Only a blue or purple ribbon earns points, regardless of class placing. All riding classes specific to the division and broken by rider's age will count toward high point.
- The point system will be as follows:

Entries in Class	Points per Class
1	1
2	2-1
3	3-2-1
4	4-3-2-1
5	5-4-3-2-1

**GOALS:** Answers to the following questions about the exhibit must accompany the exhibit. (An audio cassette or video tape may be used (limited to 5 mins)).

**What was your goal(s)?**

### Conference Judging Day

1. **Pick up your entry form at the front desk. Take your form to each department when you check into the area. They will record the placing for each project judged. At times lines for different department will get long put your name on all areas waiting list and wait in the shortest line. Then go to the next area and they will rotate through the list from the top.**
2. **After all projects are judged, return the form to the check out desk.** Premiums are paid based on these sheets.
3. All items are conference judged in each department. Conference judging takes place **between the exhibitor and the judge only.** Seating is available for parental viewing. All clubs, chapters or groups with entries in this building are expected to display exhibits in a designated booth area for the entire fair.
4. Each judge holds back exhibits to be considered for awards and participates in the final selection decision. Exhibits not selected will be returned to the club booths.

### Exhibit Rules

1. Duplication of **copyright material** or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without permission being granted by the owner of the copyright. When permission has been granted, the exhibit will be displayed and labeled appropriately. Those without permission **cannot** be displayed. Many school art projects using copyright material are not acceptable. See *Brochure 4-H 634 (March 2000)* for more information.

2. A **purchased copyrighted item** can be used in an exhibit. Exhibits made from purchased kits must be identified. Example: a purchased puppet showing a child safety point or a purchased poster of a Star Wars character which you framed.
3. Noxious weeds endangered or threatened wild flowers nest and small songbird feathers CANNOT be used in any exhibit. Pheasant, duck, goose and quail feathers "legally taken" are acceptable.
4. Any exhibit which includes a live plant must be in a water-proof container or include a drip saucer.
5. Exhibit video or audio cassettes should not be longer than 5 minutes.

### Awards

1. Blue, Red, White, Participation, Gold, State Fair and State Fair Alternate ribbons are all assigned by the judge. This decision lies solely with the judge and is not the decision of the superintendents, 4-H volunteers or extension staff.
2. Gold ribbons are awarded to outstanding exhibits in one of the following areas:
  - 4<sup>th</sup> grade
  - Horticulture exhibit
  - FFA member
  - Non- Original Art
3. State Fair and State Fair Alternates are limited to 4-H'ers who have completed 5<sup>th</sup> - 12<sup>th</sup> grades. Exhibits entered through FFA are not eligible for State Fair consideration.
4. Polk County is assigned a number of exhibits that can advance to the State Fair. This number is based on 4-H enrollment from the previous 4-H year. 4-H Staff then assigns how many exhibits can go in each area based on the number of exhibits entered in each department.

### ART PRINCIPLES

Principles of design are the directions or guidelines for mixing the elements. Principles included are balance, rhythm, emphasis, proportion, and unity.

1. **Balance** gives a feeling of stability. There are three types of balance.
2. **Symmetrical:** the elements used on one side of the design are similar to those on the other side.
3. **Asymmetrical Balance:** the sides are different but still look balanced.
4. **Radical:** they are arranged around a central point and may be similar.
5. **Rhythm** is organized movement. It allows the eyes to move from one part of a design to another. It can be achieved through repetition, graduation, and alternation.
6. **Emphasis** is the part of the design that catches the viewer's attention.
7. **Proportion** refers to the relationship between one part of a design and another part or to the whole design. It is a comparison of sizes, shapes and quantities.
8. **Unity** When things look tight together, you have created unity or harmony. Lines and shapes that repeat each other show unity (curved lines with curved shapes). Colors that have a common hue are harmonious. Textures that have a similar feel add to unity. But too much uniformity sometimes can be boring. Also, too much variety destroys unity.

## ELEMENTS OF DESIGN

Design has individual elements which are part of every item. These include color, texture, line, shape, and form. Design is an overall plan or scheme.

1. Color is described with the words hue, value, and intensity.
  - Hue: refers to the name of the color
  - Value: tells the lightness or darkness of a hue
  - Intensity: refers to the brightness or dullness of a hue.
2. Line can be horizontal, vertical, dotted, zigzag, curved, straight, diagonal, bold, or fine. Lines can show direction, lead the eye, outline an object, divide a space and communicate a feeling or emotion.
3. Texture is the surface quality that can be seen and felt. Textures can be rough or smooth, soft or hard. Textures do not always feel the way they look.
4. Shape is a closed line. Shapes can be geometric, like squares and circles; or organic, like free-formed shapes or natural shapes. Shapes are flat and can express length and width.
5. Form are three-dimensional shapes, expressing length, width and depth. Balls, cylinders, boxes and triangles are forms.
6. Space is the area between and around objects. The space around objects is often called negative space; negative space has shape. Space can also refer to the feeling of depth. Real space is three-dimensional; in visual art when we can create the feeling or illusion of depth we call it space.
