

Polk County 4-H & FFA Fair
1625 Adventureland Drive
Altoona IA 50009

Dear Friends,

The Polk County 4-H & FFA Fair gives over 600 Polk County youth the opportunity to exhibit projects about anything from astronomy to zoology. Each year these young people show their animals, practice their communication skills, help each other as they work toward their goals, and most importantly have fun. The county fair is an experience like no other, and we invite you to be a part of it through your sponsorship.

We offer several levels of sponsorship to meet the needs of a variety of organizations; the various options are listed on the back of this letter.

Please consider sponsoring the 2025 Polk County Fair. Thank you in advance for helping make the county fair a memorable experience for our 4-H and FFA members.

If you have questions, please call Chad Allen 515-418-8308.
